*A fitting tribute to those you love...*

*brought to you by the* **Wirral News Group**

The Wirral Peninsula has always been regarded as having a wonderfully diverse community within a uniquely charming area of the North West.

For over 150 years the Wirral News Group has been the voice of this great and diverse community.

The pages of the Wirral News titles continue to be the chosen place for many families to celebrate the life of a loved one. Now, as well as remembering your loved ones in print, you are able to do even more through our online service.

## **Wirral News Group**

The Wirral News Group have developed a sensitive and unique new service, which allows both family and friends the opportunity to truly celebrate the life of a loved one through their own treasured and personal memories. You now have the chance to share your remembrances both

## Celebrate the life of a loved one...

within the pages of the Wirral News titles and online via our Remembrance website.

Invite family and friends to read and leave personal messages and let the memory of a loved one live on. Open an online book of remembrance or choose to honour a loved one by lighting a virtual candle for them.

## *Respect...*

*By opening a Book of Remembrance you can share personal memories and help celebrate the life of a loved one*

Sign the Book of Remembrance

Our Remembrance website allows you to create your own truly personal Remembrance Album online.

Commemorate the memory of a sadly missed family member or dear friend by sharing your fondest memories in your own words. This beautiful album also allows you to display up to ten of your most

## Everlasting memories of a loved one...

treasured photographs all accompanied by a delicate and sensitive musical soundtrack.

Allow family and friends to share your personal memories and join you in celebrating the life of your loved one.

*Remember...*

*Share your own unique memories of a loved one or special friend by creating a Remembrance Album of words, photos and music*

Share a Remembrance Album

Around the world the simple lighting of a candle has for centuries been a universal sign of respect for those who have passed on. Once the Book of Remembrance is open you can light a virtual candle and send a sympathy e-card.

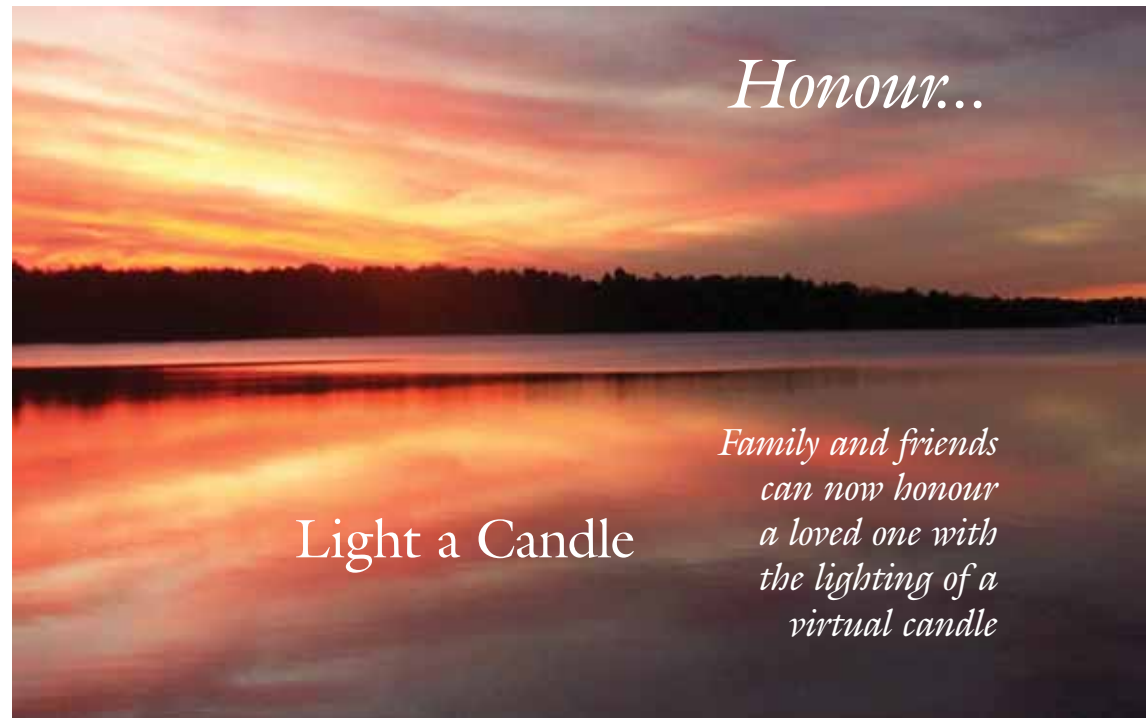

It is an easy and convenient way to show your respect and honour the life of someone special.

## The candle - a universal sign of respect...

This online service also provides valuable help at what is always a difficult time.

Our online directories offer a selected list of local services available to help you commemorate your loved one - from florists and funeral directors to monumental masons and much more.
