## *Obituaries - General Verses*

Every day in some small way  
We miss you more than words can say.  
In our hearts you will always stay  
Loved and remembered every day.

A face is from our household gone,  
A voice we loved is stilled,  
A chair is vacant in our home  
Which never can be filled.

A beautiful memory dearer than gold.  
Of a mother/father/brother/sister, etc.,  
Whose worth can never be told,  
There's a place in my heart no one can fill,  
I miss you, mum/dad/lad, etc., and  
always will.

In the quiet of the evening  
I sit and think of you,  
I open up my memory book,  
Of the things we used to do,  
And as I turn the pages  
My eyes are filled with tears,  
For, although I have my memories,  
I can't hold back the years.

May the Lord watch between me  
and thee, when we are absent  
from one another. (Mizpah).

Partings come to let us know,  
We love more deeply than we show,  
But love in death should let us see,  
What love in life should really be.

You always waited for me,  
Anxious, if I were late,  
In winter at the window,  
In summer by the gate,  
Your thoughts were always for me,  
Not once did you forget,  
And so I know from Heaven above,  
You'll be waiting for me yet.

Although we laugh and seem carefree,  
And make no outward show,  
What it meant to lose you  
No one will ever know.

There's a face we shall always remember  
A voice we shall always recall,  
A memory to cherish forever,  
Of one so dear to us all.

To hear your voice, to see you smile,  
To sit and talk to you a while,  
To be together in the same old way,  
Would be my dearest wish today.

To us he/she was someone special,  
Someone set apart,  
His/Her memory will live forever,  
Engraved within our hearts.

Nothing could be more beautiful,  
Than the memories we have of you,  
To us they're very precious  
Because they are of you.

I am the resurrection and the life,  
He that believeth in Me, though he were  
dead, Yet shall he live. John XI. 25.

Looking back with tenderness  
Along the path we trod,  
I bless the years I spent with you,  
And leave the rest to God.

God saw you getting weary,  
A cure was not to be,  
He put His arms around you,  
And whispered: Come to Me.

What he/she suffered he/she told so few,  
He/She did not deserve what he/she  
went through,  
Tired and weary he/she made no fuss,  
But tried so hard to stay with us.

What he/she suffered he/she told but few,  
He/She never deserved what he/she  
went through.  
He/She left us suddenly,  
his/her thoughts unknown,  
But he/she left us with a memory  
we are proud to own.

God saw you getting weary  
The hill too steep to climb,  
He put His arms around you  
And whispered: Peace be thine.

God has taken you away from us,  
And taken you to rest,  
It's not for us to understand,  
He only takes the best.

The family chain is broken now  
And nothing seems the same,  
But as God takes us one by one,  
That chain will link again.

From our happy home and circle  
God has taken one we loved;  
Borne away from pain and sorrow  
To a nobler rest above.

In days gone by I'd take your hand  
And wish you all the best,  
But all I can do now, is ask God  
To grant you eternal rest.

To think we did not say goodbye  
Will always bring regret,  
But hearts that always loved  
Never will forget.

I lived in hope. I prayed in vain  
That God would make you well again.  
But God decided we must part,  
I watched you die with a broken heart.

It was a sudden parting  
Too bitter to forget  
Those who really loved you  
Are the ones that won't forget.

A golden heart stopped beating  
Two smiling eyes at rest  
God broke our hearts to prove to us  
He only takes the best.

Your painful days are over  
Your restless nights have passed  
God took you in His arms  
And whispered: Peace at last.

Not one to trouble or make a fuss  
You asked for nothing from any of us  
God called you to Him and we had to part  
Leaving us lonely and with a broken heart.

Take him/her in Your arms, Lord  
Cherish him/her with care  
Make up for all he/she suffered  
And all that seemed unfair.

Jesus take care of our (name)  
And love her/him as we do  
Because she/he was everything  
Loving, kind and true.

By the old rugged cross,  
You sit with a smile,  
Waiting for those,  
you have left for a while  
And those you have left,  
With their grief and their loss,  
Will meet you one day,  
By that old rugged cross.

Take him/her in Your arms Lord,  
Guide him/her through the storm,  
Sit with him/her in sunshine,  
and let the wind be warm,  
Play his/her favourite music,  
And when you see him/her smile,  
Tell him/her that we love him/her,  
and he's/she's thought of all the while.

Sadly, I miss him/her and try not to grieve,  
And when God insists, I too must leave,  
To join him/her I loved, on that  
wonderful shore,  
With heartaches forgotten, and partings  
no more.

From pain to peace,  
From home to heaven,  
God Bless.

Sweet is your memory,  
Precious your name,  
Deep in our hearts,  
You will always remain.

I cannot bring the old days back  
When we were all together,  
But memories keep you close to me,  
And memories last forever.

Our hearts are filled with memories  
Which we gather through the years  
All the happy times we shared,  
Are treasured souvenirs.

Now I lay me down to sleep  
I pray the Lord my soul to keep  
If I die before I wake,  
I pray the Lord my soul to take.

The golden years we spent together  
are not forgotten; they are ours forever.

Safe in the arms of Jesus  
And free from pain,  
Rest in peace (name)  
Till we meet again.

A light is from our household gone,  
A voice we loved is stilled,  
A place is vacant in our home,  
Which never can be filled.

We have to mourn the loss of one,  
We did our best to save  
Beloved on earth, regretted still,  
Remembered in the grave.

'Twas hard to part with one so dear  
We little thought the time was near,  
Farewell, dear one, your life is past  
Our love for you till the end will last.

You always had a smile to share  
Time to give and time to care.  
A loving nature, kind and true,  
Is the way we'll remember you.

Free from pain,  
Now you're up above,  
Feelings of sadness  
And feelings of love.

God that spared not his own Son,  
But delivered Him up for us all.  
For I am persuaded that naught shall separate  
us  
From the love of God,  
Which is in Jesus Christ, our Lord.

Although we're not together,  
We will never be apart,  
Because you have that special place,  
Right here within my heart  
Always and forever.

I didn't see you often,  
And that I'll always regret  
But the warmth of love in your smile,  
I never will forget.

Our hearts are filled with memories  
Which we gather through the years  
All the happy times we shared  
Are treasured souvenirs.

Our dear Lord in heaven above,  
Surround our dear (name) with all your love,  
Keep her/him safe and keep her/him warm  
In your arms forever more.

It's a wonderful journey (name)  
From the old world to the new  
Someday I'll take that journey  
Just to be with you  
And when I get to heaven  
Where all are free from pain  
I'll put my arms around you (name)  
And we'll never part again.

You are beside us in all we do  
Your love and guidance will see us through  
As each day dawns we whisper low  
God bless you (name)  
We love and miss you so.

You never complained,  
You never gave in,  
You fought a battle,  
You could not win,  
You were so brave.

They will not let me walk alone,  
Into the valley of the unknown,  
So I reach out and clasp the hands,  
Of loved ones in the Promised Land.

My heart is filled with love each day,  
I loved you in a special way,  
Trusting that God will understand,  
I place my heartache in His hands.

Beautiful memories treasured forever,  
Of happy years spent together,  
Life is eternal, love will remain,  
In God's own time, we will meet again.

Did the sun shine a little brighter,  
Was the sky a deeper blue,  
Or was it just a better world, (name)  
When we shared our lives with you.

Your photo stands in pride of place,  
A lovely smile lights up your face,  
You always seem to be so near,  
How I wish (name)  
You were still here.

Life's work well done,  
Life's race well run,  
Now comes rest.

A special smile, a special face  
In our hearts, a special place,  
Memories are a gift to treasure,  
Ours of you (name) will last forever.

May God grant us  
Hope for each morning,  
Strength for each day  
And peace for each night.

A thousand loving memories,  
Stored up in our hearts,  
To take out and live again  
Whenever the tears start.

How hard it is to part with those  
We hold on earth so dear,  
The heart no greater trial knows,  
No sorrow more severe.

Sad are the hearts that loved you,  
Sad are the tears that fall,  
But living our lives without you,  
Is the saddest part of all.

I'll treasure forever the friendship we shared,  
The things you did, the way you cared,  
Someone to turn to, so kind and true,  
One in a million, (name) I'll never forget you.

Love says little,  
But means so much,  
Love is a feeling, a look, a touch,  
Love is a gift, and I give it to you  
From a son/daughter whose heart  
is broken in two.

Time is not measured by the years that you  
live, But by the deeds that you do,  
and the joy that you give  
And each day as it comes,  
brings a chance to each one,  
To love to the fullest, leaving nothing undone.

With special thoughts of sympathy  
And a sincere heartfelt prayer  
That God may bless you with His peace  
And keep you in His care.

Each dawning day, a thought of you  
At eventide, a prayer,  
And in the hearts that loved you so,  
You always will be there. Ours to remember.

Memories are like keepsakes,  
We treasure all life through  
But mine are very special  
Because they are of you.

It seems that certain friends we meet  
are thought of for a while,  
While others are remembered for  
a special deed or smile  
But those who stay within our hearts  
are very very few,  
But (name) that's the kind of friend  
we all found in you.

Your voyage has been rough,  
But you've reached your golden shore  
Where your boat is now at anchor  
And peace is yours once more.

No matter where I go (name)  
No matter what I do,  
I'll cherish the memories of yesterday  
And the laughs I shared with you.

Love is a smile, a tear and a touch,  
love says little, but means so much,  
Love is forever, and we give it to you,  
From the family who thought the world of  
you.

You lived your life with little needs,  
Full instead, of selfless deeds  
For everyone you did your best  
May God grant you Eternal rest.

# *Partner / Husband / Wife*

We will always love and miss you, (name)  
With every passing day  
The longing just to see you,  
Will never go away.

The years we spent together  
Those happy days we knew,  
Are lived again so often.  
In my memories of you.

Partings come and hearts are broken,  
Loved ones go with words unspoken,  
Deep in our hearts there's a memory kept,  
For a husband and father we'll never forget.

Many a tear I've shed since I lost you,  
Many more will continue to fall,  
You took my happiness with you,  
The happiest hours of all.

Farewells were left unspoken,  
You gently slipped away  
You left many happy memories,  
That will never fade away.

On the wings of a prayer our burdens  
take flight, And our load of care becomes  
bearably light,  
And our heavy hearts are lifted above,  
to be healed by the balm of God's wonderful  
love.

Some day I hope to meet you,  
Some day, I know not when,  
To clasp your hand in a better land,  
Never to part again.

Thus shall I walk with you  
And keep the bond that love doth give,  
Knowing that remembrance, though  
unspoken,  
Shall reach you wherever you live.

Put your arms around him Lord,  
Kiss his/her smiling face  
He/she was a special friend  
Who can never be replaced.

And the tears in our eyes are dried by the  
hands of a loving Father who understands  
All of our problems, our fears and despair,  
When we take them to Him on the wings  
of a prayer.

Lonely is my home without you,  
Life to me is not the same,  
All this world would be like Heaven,  
Just to have you back again.

You were a wife in a million,  
Why did you have to go,  
You meant the world to me,  
I really loved you so,  
If I had one choice today  
My choice would not be hard,  
I'd wish that I could have you here,  
To give you a birthday card.

I didn't see you often,  
But you knew I really cared  
And I have some lovely memories,  
Of happy times we shared.

We never lose the ones we love,  
For even though they've gone,  
Within the hearts of those who care,  
Their memory lingers on.

In quiet thoughts I live again,  
The days that used to be,  
How rich in kindness, love and care,  
How dear you were to me.

I've lost my life's companion,  
A life linked with my own,  
You're still mine to remember,  
A husband proud to own.

# Father / Grandfather

You often said that we would miss you,  
How those words have proved you true.  
We lost the one and only Dad,  
Dear Dad, when we lost you.

A beautiful memory, dearer than gold,  
Of a father whose worth can never be told,  
There's a place in my heart no one can fill,  
I miss you, Dad, and always will.

I never ask for miracles,  
But today just one would do,  
To see the front door open and  
See our Dad walk through.

We miss his smile, his kindly ways,  
With him we spent some happy days;  
We'll miss him when we need a friend,  
On him we always could depend.  
If only he were here today  
Then this to him we could say,  
God bless you, Dad, on your birthday.

His nature was loving and giving,  
His heart was made of pure gold,  
And to us who truly love him,  
His memory will never grow old.

I have lost. Heaven has gained,  
The most wonderful Dad this world  
contained,  
There's just one thing makes me glad,  
God chose you to be my Dad.

The last time I saw you,  
You looked so bright and well,  
Little did I know, Dad,  
It was our last farewell.

Heavenly Father, hear my prayer,  
Guide my Dad with tender care,  
Love him in heaven as I did at home,  
The dearest father this world could hold.

In dreams I see your smiling face,  
And kiss your tender brow,  
I then awake and realise,  
I have no father now.

Remembering you is easy Dad,  
I do it every day,  
And missing you is something  
That will never go away.

I wish that I could see you Dad,  
For just a little while,  
I wish that I could hug you and  
see your lovely smile,  
But wishing gets me nowhere,  
And longing is in vain.  
So I will hold you in my heart.  
Until we meet again.

Thinking of you Dad,  
but that is nothing new  
I thought about you yesterday,  
and the day before that too,  
I'll think about you tomorrow,  
and as the years come and go  
I'll think about you forever,  
because I loved you so.

You've earned your place in heaven Dad,  
After all that you've been through  
I wish I could have helped you  
But there was nothing I could do  
Peacefully sleeping now out of pain.  
I would not wake you up to suffer again.

Fond memories Dad, through the mists  
of time  
It seems so long, since last we met  
But happy times are remembered yet.

There's a bridge of happy memories  
From here to heaven above  
I know we share that bridge Dad  
It's called the Bridge of Love.

Dear Lord up above, give Grandad our love  
Hug him and kiss him and tell him we love  
Him and that we are always thinking of him.

# Mother / Grandmother

Dear Mother, rest, your work is o'er  
Your loving hands shall toil no more,  
No more your gentle eyes shall weep,  
Rest, dear Mother, gently sleep.

Always ready to do her best,  
With a heart so true and tender,  
She devoted her life to those she loved,  
And those she loved remember.

Tears in place of wishes,  
Heartaches mixed with love,  
No happy birthday wishes,  
No cards to Mother with love.

Those who have a Mother,  
cherish her with care,  
For you never know the heartache,  
Till you see her vacant chair.

A Mother's love is ageless,  
A crown she has won,  
Today I mourn and honour her,  
For all that she has done.

Two extra stars are in the skies,  
I know they are my mother's eyes,  
Looking down upon her fold,  
Remembering memories wrapped in gold.

We love and miss you Mum,  
We wish you were here today,  
Just to say these words to you,  
We love you in every way.

We never ask for miracles,  
But today just one would do,  
To see our front door open,  
And our dearest Mum walk through.

To those who have a Mum,  
Love her while you may,  
Because we wish with all our hearts,  
Our Mum was here today.

No one knew the pain she bore,  
Beneath the smile she always wore,  
A loving memory dearer than gold,  
of a Mother whose worth can never be told.

There's a corner in our hearts, Mum  
You visit every day,  
It gives us this warm feeling,  
That you're never far away.

Now at rest Mam, free from pain  
You're with my Dad now  
Together again.

When I think of happy times,  
I always think of you Mum,  
It's nice to think of happy times,  
For every time I do  
My heart is filled with all the love  
That I feel for you.

You felt so very lonely Mum,  
ever since Dad died  
But you can walk together now,  
forever side by side.

Kind was your nature,  
True were your ways  
We will treasure your memory Mum  
For the rest of our days.

Mum, did the sun shine brighter,  
or was the sky a deeper blue  
Or was it just a different world  
when we shared our lives with you.  
Forever is a long time  
This we know is true  
But that's how long our broken hearts  
Will love and yearn for you.

We think of you so often Mum  
And every time we do  
You can be sure we're thinking  
Of yesterday and you.

Family ties are lasting bonds,  
That are woven in each heart  
To keep a family close in thought  
Together or apart,  
Love you forever Mother, forget you never.

Mother: I held you in my arms Mum,  
I held you close to me  
God took you to a better place  
And left your love with me.

Age will not dim her loving face  
Her sparkling eyes and happy face  
She fell asleep and left me sad  
I will never forget the Mother I had.

M is for the Many things she gave me  
O is Only that she was growing old  
T is for the Tears she often shed for me  
H is for her Heart as pure as gold  
E is for her Eyes that shone so brightly  
R is for the many Riches she gave to me  
Put them altogether they spell MOTHER,  
The dearest one in all the world to me.

You've chosen an angel,  
There's no finer than  
For God in your wisdom,  
You've chosen our Nan.

In memory's page, I will never blot,  
Three little words-forget me not.  
Never forget you Nan.

# Brother / Sister / Child

You went away so suddenly  
We did not say goodbye  
But brothers can never be parted  
Precious memories never die.

An angel took our flower away  
It needed so much care,  
But some day God will tell us,  
Why to us it seems unfair.

We lost a son with a heart of gold,  
Worth more to us than wealth untold,  
From earthly toil to heavenly rest,  
God took our son, one of the best.

Angels in heaven, all robed in white  
Were playing one day in the garden of light,  
And Jesus came smiling, and said to his band  
“Here’s another playmate, take (name)’s hand.

O Lord hear my prayer,  
Keep my sister in your care,  
For there comes a time for all of us  
When we must say goodbye,  
But memories of those we really loved,  
Live on and never die.

There’s a place in our hearts  
No one can fill,  
We miss you dear daughter,  
And always will.

Two smiling eyes stopped smiling,  
A golden heart stood still,  
We don’t know why God took you,  
And guess we never will.  
He only lent you to us,  
Then came and took you back,  
To us you were so precious,  
Your life was full of fun,  
A caring, loving brother,  
A darling little son.

This special boy/girl so meek and mild  
Was Heaven’s very special child  
Although you were with us for such  
a short while  
We will never forget your happy smile.

Of all the many blessings,  
However great or small,  
To have had you for a sister,  
Was the greatest one of all,  
The family chain is broken now,  
And nothing seems the same  
But as God takes us one by one  
The chain will link again.

Farewell, dear babe,  
To both our hearts so dear,  
Often we’ll bathe  
Your memory with a tear,  
Short was your life,  
But long your rest,  
God called you soon  
Because He saw it best.

A ray of sunshine came and went  
A beautiful treasure only lent,  
In God’s keeping quietly sleeps,  
This son/daughter we loved but could not  
keep.

Goodbye to you dear Sister,  
You deserve eternal rest,  
You cared so much for everyone  
And always did your best.

Gentle Jesus up above,  
Give our baby all our love,  
Plant kisses on our baby’s cheek,  
Tell him they are his to keep.

Jesus took you for a sunbeam,  
To shine on Him each day.  
In every way you’ll please Him,  
And brighten up His day.

# *In Memoriam*

The years may come, the years may go,  
I could never forget how I loved you so  
With each day I remember anew,  
Those precious years I spent with you.

I never thought that loneliness  
Could bring such bitter pain,  
That memories could hurt me so  
And wound my heart again.  
Yet even in despair I know  
That every tear I shed,  
Would grieve the heart that loved me so,  
So I will try to smile instead.

Each day we think about you  
And realise you have gone,  
We can't explain the emptiness  
That life has now become.  
They say that time's a healer,  
But we are not too sure,  
For every time we think of you  
We miss you more and more.

The happy hours we once enjoyed,  
How sweet their memory still,  
But losing you has left a space,  
This world can never fill.

Our thoughts are with you on this day,  
Happy memories come to mind  
Of one we loved with all our hearts  
And will till the end of time.

The world may change from year to year,  
And friends from day to day,  
But sweet memories of you  
Will never fade away.

Thoughts go back to happy days  
When we were all together,  
The family chain is broken now,  
But memories live forever.

Although our loved ones are out of sight  
They are never out of mind,  
For they are cherished in the hearts  
Of the ones they left behind.

When we are in need of comfort  
We walk down memory lane,  
There we see you smiling  
We talk with you again,  
And as we wander slowly back  
We seem to hear you say  
"Don't grieve. don't cry, my family,  
We'll meet again some day."

Memory is a loving thing  
It lasts the longest day  
It can never be spent,  
Never be lent,  
Never be taken away.

No words can tell, no flowers repay,  
The loss we had one year today  
Till memories fail and life departs,  
You will live forever in our hearts.

If roses grow in Heaven, Lord,  
Then pick a bunch for us  
And place them in our (name)'s arms  
And tell her/him they're from us.

Not one day passes Son  
That we don't think of you,  
Our broken hearts will never heal,  
But your memory pulls us through.

How constantly we think of you,  
With hearts and eyes that fill,  
The love in life we had for you,  
In death grows stronger still.  
Let the winds of love blow softly  
And whisper for you to hear,  
We love and miss you sadly, as  
It dawns another year.

Three years ago God took you, Mum,  
He took my closest friend,  
And left me with a broken heart,  
I know will never mend.

# *Birthday Memoriam*

Just twenty flowers in our bouquet,  
Just twenty years you'd be today.  
It broke our hearts to lose you,  
But to stay only brought you pain,  
Tears of love will never wake you,  
God bless you, son, till we meet again.

We never need a special day  
To bring you to our mind,  
For days without a thought of you,  
Are very hard to find.

We cannot send a birthday card,  
Your hand we cannot touch,  
But God will take our greetings  
To the one we love so much.

Thinking of you on your birthday,  
With sadness in our hearts,  
For a very special someone,  
From whom we had to part.

Another birthday, another year,  
With precious memories of one so dear,  
Thoughts today of our lives together,  
Hold a love that will live forever.

All my life I will miss you  
As the years come and go,  
But in my heart you will live forever,  
Because I love you so.

As I opened my eyes this morning  
I looked to the heavens above,  
I whispered, "Happy Birthday, Babe",  
And sent you all my love.

Your book of life stands open,  
At its most important page,  
May good luck be by your side,  
On this your Coming of Age.

Happy Birthday (name)  
We send our love today  
Please look down upon us  
And pray for us always

If tears could wash away our pain,  
We would not feel such hurt again,  
The heartbreak felt since you've been gone,  
We wouldn't wish on anyone,  
But today is your birthday,  
So we'll have to be brave  
And accept God's taken what first He gave.

Put your arms around her Lord,  
Don't leave her on her own  
For today it is my Mum's birthday,  
Her first away from home.

Thinking of you on your birthday  
We talk of you still,  
We haven't forgotten you  
And we never will.

Tears instead of wishes,  
Flowers instead of cards,  
You left us precious memories  
That will stay within our hearts.

Instead of a card  
We send our love  
Instead of a gift, a prayer  
To the one we thought the world of  
And miss beyond compare.

You are the kind of person  
Who leaves lovely memories behind  
And special days like your birthday  
Bring many fond memories to mind  
And memories are possessions  
That time can never destroy  
For it is in happy remembrance  
The heart finds its greatest joy.

No birthday cards today  
A heartache, a tear,  
A memory so dear  
Every day of our lives,  
we wish you were here.

Your present needs no choosing,  
Flowers it has to be  
And so many lovely memories  
Of the way things used to be.

Two years ago you went away  
To take a well earned rest  
And of all the mothers in the world  
I was lucky to get the best.

Another birthday has come around  
And there's nothing I can do  
But sit for a while and picture your smile  
Just like I always do.

Birthday wishes I send today  
To a star in the sky, not far away,  
Engraved in gold on a cloud above  
Just for you Mum, with all my love.

Thinking of you on your birthday (name)  
But that is nothing new  
For no day dawns and no day ends  
Without a thought of you.

With an ache in my heart,  
I whisper low,  
Happy birthday, Mam,  
I miss you so.

# *Christmas Memoriam*

Deep within our aching hearts,  
Wrapped in the purest gold,  
Are happy Christmas memories,  
Spent with you at home.

No presents to give you,  
No wishes sincere,  
Only the heartache  
Of not having you near.

As we prepare for Christmas,  
Our thoughts will be of you,  
You always made our Christmases,  
The happiest we ever knew.  
We'll try our best to celebrate  
The birth of Christ our King,  
But in our hearts we realise  
We've lost our everything.

They say time heals many things,  
But not the sadness Christmas brings,  
The pain in my heart will always remain,  
Until the day we meet again.

It doesn't take a special day  
To bring you to my mind,  
For days without a thought of you,  
Are very hard to find.

I would give the world if I could say  
Merry Christmas to my (name) today,  
To hear your voice, to see you smile,  
Would be my dearest wish this Christmas time.
